Bus route from Sheffield city centre

Catch a 97 'Totley' bus (avoid the 98 'Totley Brook' bus as it's a different route!) From town you can catch a 97 at the Markets, High Street, Peace Gardens and Moorfoot). Ask for 'Totley Rise shops'.

You will travel out of town via London Rd, then Abbeydale Rd, then Abbeydale Rd South, then seeing the following landmarks on your left: Tesco petrol station, Millhouses park, Beauchief Hotel and Abbeydale Garden Centre.

When you reach the Tesco Extra and Spar on your right you are almost there. Prepare to alight immediately when you see Totley Rise shops - the row of shops on your left that begins with Blow hair salon and includes the Mohul Indian Restaurant... [If you miss this stop get off at the next stop after the Sheffield Animal Hospital (*details below)]... Walk left as you alight the bus, back towards the shops. Just before you reach the shops, without crossing the road, double back on yourself to your right. This is Glover Road and begins with a steep bank on your right. When you come to the cross roads go straight across onto Green Oak Road. Number 6 is on your right with a brass sign of business next to the front door.

*If you got off at the second stop, as you step off, walk to your right. On the left you will come across some concrete bollards where a road comes to a dead end. Walk down this road as far as you can. At the end you will come to a T junction. Walk to your left (along Mickley Lane) and down the hill. You will come to a crossroads. Turn right onto Green Oak Road. Number 6 is on your right with a brass sign of business next to the front door.
